

ARTICLE VII
Big Brother and Little Sister Organizations

It is Alpha Omicron Pi's policy that these organizations detract from the purpose and legitimate programs of Greek organizations.

Alpha Omicron Pi does not authorize the affiliation of "Big Brother" organizations with its collegiate chapters. No groups of this sort may be formed.

Alpha Omicron Pi chapters are not to encourage, nominate, or assist chapter members in applying for membership in "Little Sister" organizations or any otherwise named fraternity auxiliary group. Chapters may not excuse absences from chapter functions and activities due to participation in Little Sister events.

Alpha Omicron Pi does not consider membership in such organizations to be an honor, and no credit or consideration for this information is given to chapters in competition for awards and recognition.
