

AOII's Forever Friends is a wonderful way to say "thank you" to a sister for all she contributes to AOII. It is a program designed specifically to recognize the women who make AOII stronger through dedication and love.

Each sister you honor through Forever Friends will receive a personalized certificate recognizing the sister(s) who gave in her honor, as well as a token of thanks for her dedication and service to the Fraternity.

Donors will also be recognized during the LI programming.

All of the proceeds from Forever Friends are designated to AOII's Collegiate Experience department to assist our chapters to create exceptional membership experiences. You can honor a sister for **\$30.00\*** through this special program and help to ensure the power of friendship in AOII will endure.

\*\$30.00 per honoree

**I wish to honor:**
