You're Making It Happen ...

Through Your Generous Support Of the Loyalty Fund

Your support of the Loyalty Fund empowers every Foundation initiative. It helps us send Educational Leadership Consultants to mentor chapter officers, administer scholarship programs and Ruby Fund grants, underwrite the development leadership programs, and more.

Roses to the 200+ members of the 1897 Society — a record-breaking number of sisters who made an annual gift of \$1,897 over the past 2 years. You inspire us all.

Love that Lives On

When Nancee Vine left us in 2019, she invested in her sisters for decades to come, leaving the Foundation its largest legacy gift in history. Roses forever, Nancee! Your love for AOII will never be forgotten.

The Second Century Society recognizes sisters who have made AOII Foundation a part of their will or estate plan. Are you considering your lasting legacy or have you already named the Foundation in your will or estate plan? Please contact Ashley Byrd at abyrd@alphaomicronpi.org so we may partner with you in designing an impact opportunity or thank and honor you for giving roses that last a lifetime.

Nancee Vine,

Gifts to the AOII Foundation are tax-deductible on U.S. returns, as allowed by law. Even if you don't itemize, you may deduct up to \$300 on your 2021 federal tax return.

REWARDING ACHIEVEMENT AND FUNDING SUCCESS

As tuition and other college costs rise, AOII scholarships are increasingly important to those who receive them. Foundation gifts help sisters stay on track toward their degrees, go after advanced degrees or restart an interrupted education.

Not All Education Takes Place in College Classes

Many AOII sisters' most valuable educational experiences take place within their chapters. Foundation donors give access to invaluable leadership development experience. Your gifts became grants that transformed our educational programs.

Helping Sisters in Need

Through an unprecedented pandemic, job losses and devastating natural disasters, your AOII sisters always had a place to turn for urgent help — thanks to generous support of all Alpha Omicron Pi sisters.
