

WE'RE RAISING MONEY FOR ARTHRITIS

Where does it go?

- 1** Chapter holds philanthropy event such as Strike Out! Arthritis
- 2** Within 30 days of the event, proceeds should be sent to AOII Foundation's Arthritis Fund
- 3** At the end of each school year, money from the Arthritis Fund is granted from the AOII Foundation to arthritis-related organizations
- 4** AOII dollars support annual JA Conferences/Family Summits featuring Panda Bear Clinic Programs, all national JA Camps, fully fund the JA Power Pack program, and fund numerous initiatives for research, training, and education through CARRA or other selected grant recipients.

THIS PROCESS:

- Ensures that AOII is able to grant more money each year to arthritis organizations in the US and Canada
- Supports AOII's partnership with the Arthritis Foundation on a national level
- Guarantees your chapter will get AOII credit for all arthritis fundraising
