

The Loyalty Fund

The AOII Foundation's **Loyalty Fund** is the annual giving that **provides support to ensure the future of our sisterhood.** Gifts made to the Loyalty Fund are unrestricted as to their use and enable the Foundation to be a lifeline of support to our sisters, creating opportunities for greater impact as we direct gifts where they are needed most.

The Loyalty Fund represents just that: the loyalty of our sisters to the Fraternity, their fidelity to the mission of our sisterhood, and their commitment to advancing the Foundation. The AOII Foundation relies upon the steadfast generosity of our sisterhood to move us forward—toward a firm future of increasing influence.

Ways to Give

When you give consistently and/or at a higher level, you have additional opportunities:

In honor of AOII's founding year, the 1897 Society acknowledges donors who contribute \$1,897 or more in a fiscal year to the Foundation's Loyalty Fund. These donors are recognized with an invitation to an 1897 Society recognition event each year as well as a limited edition AOII charm only available to 1897 Society donors.

“Over the years, the Loyalty Fund has been significantly important to me. In the business world, I’ve come to deeply appreciate the need for professional staff, dynamic resources, and funding for operating support. Without the Loyalty Fund, we will lose the talent that is needed to drive the mission of the organization. The staff of the AOII Foundation is phenomenal! To accomplish our strategic plan, we must continue to raise funds necessary to support operating costs. It is through the Loyalty Fund we are able to say without a doubt that the Foundation will be here for years to come.”

JACQUEMINOT CIRCLE

The Jacqueminot Circle is our monthly alumnae giving opportunity that recognizes sisters who establish a recurring monthly gift of \$18.97 and above, or an equivalent annual gift, to our Loyalty Fund. Members will receive a one-time thank-you gift upon joining.

The Keystone Society (formerly known as the Second Century Society) was founded in 1992 to recognize the importance of planned or deferred giving to the Foundation. Alumnae who remember the AOII Foundation with a planned gift and notify the Foundation of this intention become members of the Keystone Society and receive a special appreciation gift.

"In AOII, we seek to Inspire Ambition. This includes the ambition to lead, to serve, and to give. I am continually inspired by all who support the AOII Foundation. Your gifts make it possible for us to share our story with current and future generations of AOIIs, celebrating our sisterhood and our shared commitment to the principles established by our founders more than 126 years ago, principles that continue to resonate with our members today. Your generosity ensures that we can support our Fraternity as we continue our pursuit to Inspire Ambition, now and always!"
