WELCOME

This awards guide includes everything you need to know about individual awards and is your guide to the awards process. We look forward to recognizing outstanding Alpha Omicron Pi members!

Please contact the Awards Committee at AwardsSubmitted@alphaomicronpi.org if you have any questions about the awards process.

DEADLINE

This awards submissions deadline is March 1, 2024 at 11:59 PM CDT.

STEPS TO SUCCESS

- Carefully read the criteria and requirements for the various awards. These requirements must be strictly followed.
- In the following pages, you will find the criteria and requirements for each award as well as the exact questions that will be asked in the award application.
- Work early, work often! Don't wait until the last minute to work on these award applications. Take advantage of all time allotted to answer the questions fully.

GETTING STARTED

The Awards Committee is looking for applications that are creative, innovative and comprehensive. Award applications should be complete, answering each question in its entirety and honestly to the best of your ability.

CREATING AND UTILIZING YOUR SMARTERSELECT ACCOUNT

Every individual must set up one SmarterSelect account to use for the award submission process.

PASSWORD

When you create your password, make sure to use something that you can remember so that you can return to work on applications.

ACCESS

Whomever has access to the account information may change any and all information at any point prior to submission. If you are working jointly with someone to submit a nomination for an award, please be sure not to overwrite or delete information. There is no way to recover such information.

SAVE, RESUME & SUBMIT

All award applications can be saved and resumed at any point prior to the submission deadline. Be sure to hit SAVE when exiting the application and not SUBMIT. Applications cannot be retrieved and/or altered after they are submitted. **Submitting the application is FINAL.**
