

Transportation Policy

Section 2. Transportation.

- a. **Transportation Options for Events.** For all events, the chapter leadership must identify a transportation plan for attendees. To attend, attendees must utilize the transportation plan as the only option to attend the event.
- b. **Chartered Transportation.** In the event the chapter holds a social function away from the college or university area, all members and guests attending shall travel to and from the event by a licensed and insured commercial transportation (e.g., bus or large vans) within the same day or evening.
 - (1) If the chapter hires a vendor to transport members and guests, the vendor must meet the following requirements:
 - i) Commercial Auto Insurance that provides coverage for transporting people and property for a fee.
 - ii) Commercial Auto Insurance that provides, at a minimum, primary coverage of \$1,000,000 combined single limit for bodily injury and property damage.
 - iii) A professional driver who has a current valid commercial vehicle operator's license in the state/province in which the driver is located.
 - (2) When commercial transportation is used for BYOB events no alcohol will be transported in the passenger compartment of the vehicle.
 - (3) For Third-Party Vendor events, no alcohol is allowed on the bus.
- c. **Public Transportation.** For events held within the college or university area, the chapter can utilize public transportation services including but not limited to taxi, Uber, Lyft, subway, campus bus, or city bus.
- d. **Designated Driver Program.**
 - (1) Designated driver programs are allowed when they are associated with AOII, participation is voluntary, and the event is held within the college or university area.
 - (2) Members should not participate in designated driver programs for events held by other organizations.
